ISLAND AIR OFFERS ONLINE CHANGES TO FLIGHT RESERVATIONS

HONOLULU – Island Air announces the opportunity to make flight changes online via its Web site starting on December 1, 2007. The new online service makes it possible for passengers to revise flights, travel dates and routings 24/7/365.

Les Murashige, Chief Operating Officer said, “Our customers will enjoy having more control over their flight plans and this definitely gives them the opportunity to do so.” The new service is Island Air’s latest innovation designed to make travel easier for its passengers.

Previously, only new bookings could be made through the Internet and changes were handled strictly by Island Air Reservations during call center hours. This new enhancement has the capability of collecting change fees and fare differences via the web adding convenience to the Island Air online experience.

Island Air is Hawai‘i’s leading regional carrier, serving more destinations in Hawai‘i than any other airline. The airline now offers 465 weekly flights between the Islands of O‘ahu (Honolulu International Airport), Maui (Kahului Airport and West Maui’s Kapalua Airport), Moloka‘i (Ho‘olehua Airport), Lana‘i (Lana‘i City Airport), Kaua‘i (Lihu‘e Airport), and the Island of Hawai‘i (Hilo International Airport and Kona International Airport). For reservations and flight information, visit www.islandair.com
